Mr. Houston

The Auditor's recommendation on [REDACTED] seems in line with our previous discussions.

If prospects will be good for completion of performance under [REDACTED] I don't see why we should object to payment of 100% of allowable costs through June 30, 1950, as recommended by the Auditor.

Settlement agreements will need to be made, at which time we ought to look over the contracts to be sure there are no loose ends.
